Notes for ANNIE KATHLEAN/KATHLEEN SMITH:

Social Security Number 244-22-5618 issued bef. 1951 in North Carolina

Annie(Kat or Nannie as she was known) was never married to Scotty's Daddy. We have no idea of where he was originally from. They met sometime in Hoke County.

Nannie was the type of person who would do anything for anyone, she never gave up on anyone, when I was living with them we, Nannie, Paul and I would always go dumpster hunting, and we found some pretty good junk, I think my best memory of that part of my life was the time we were in Wagram, North Carolina at one of the dumpsters, I was eight months pregnant with James, there was something in there I wanted and got in, you would not believe the time I had getting out of that thing!!!!

We also liked to go into old houses and we have found odds and ins in those, in Laurinburg one time we went into one house, I mean it looked so empty....but guess what it was not, we noticed a bed that had been recently slept in and others things that caught our attention to the fact that someone was living there, fortunately for us who ever lived there did not return until after we rushed out of there...boy was that a close one, laughing all the way out we left...quickly!

Would I do it again...yes, with no doubt in my mind.

Burial: Laurinburg, North Carolina⁸

Notes for PAUL OLIVER JR. SADLER:

Paul and Kat never had children of their own but he raised Laura and Scotty as though they were his. Paul was a very gentle man...had a lot of problems from his own family but was a man worth knowing and loving and we all did.

I think one of the good memories about him was the day he tried to put batteries in a doll for Jamie, it was in the tail end of the doll and just sitting there watching him do that was hilarious, we have a snapshot of him trying to get the batteries in.

Paul loved the ground that Kat Smith walked upon, if she asked him to do anything he would, and not think twice about doing it.
