YOUR PRESSING

We will be compelled to change our present plan with regards to collections, on account of the scarcity of help. Our Mr. Deane left for the Students' Army Training Corps Wednesday and there is no one to take his place. You know how it is, all of you, and in order to make it easier on both of us we are going to make some concessions. In order to save the price of a collector we are going to sell pressing tickets as follows:

\$1.50 Tickets for \$1.25

\$3.00 Tickets for \$2.50

cash in advance.

which will be quite a saving, as you will observe; but we can afford to do this as we will save the price of a collector and it will be more convenient for you once you get the habit. Save the 12 1-2 per cent and put it in War-Savings Stamps. Do you get us?

GARNER & HINSON

(Goods will be called for and delivered as usual.) Prices the same except to those holding tickets. Pay the boy when goods delivered if convenient; if not, call in and settle.
