FOURTH QUARTER 1982

LETTER FROM THE EDITOR:

Dear Members,

Another year is coming to a close - one which we can certainly say was a successful year. This year brought us the beginnings of our "Research Fund", many new members, new exchanges with other family organizations, and a very productive October meeting. We have gained so many new friends and added so much information to our files that we can all pat ourselves on the back for a job well done.

Many of our Strickland lines are beginning to make connections, and, we hope in the coming year to print charts or family group sheets on these lines. There are still many gaps, but we are progressing.

I know you have noticed this Strickland Scene looks a bit different from past issues. This is due to the fact that my ancient old typewriter finally retired from service. A few of the pages were typed on the old typewriter, but a new machine had to be obtained to finish this issue.

PLEASE make a note that your 1983 dues are now due. A sheet has been included for your renewal. This sheet also includes a space for queries. We are proud of the fact that we began in 1980 with dues at \$10 per year, and have not raised our dues even though our costs have continued to climb. Help us hold down our costs by getting your dues in as soon as possible so that we may use our Bulk Mail Permit for mailing Strickland Scene.

My thanks to each of you for being so helpful, and for your patience with me. It is a pleasure to know and to work with so many gracious people.

Sincerely,

Nancy J. Cornell

ELISHA STRICKLAND OF WAKE COUNTY, NORTH CAROLINA

The following is a report on Elisha Strickland compiled from research paid for by our 'Research Fund,' and from other printed sources.

ELISHA STRICKLAND, son of Jacob STRICKLAND (who died 1790 in Nash Co, NC), was living in Johnston County, North Carolina, by July 22, 1761, when he patented 700 acres of land (Grant #19) on the south side of Magazine Creek, a Branch of Little River.

On August 9, 1779, he patented two grants in Wake County adjoining his land. One of the grants consisted of 73 acres (Grant #147) on both sides of Mocoson Swamp; the other was 638 acres on Mocoson Swamp (Grant #109). Seven months later, he received a grant (#363) of 640 acres, dated March 29, 1780, on Turkey Creek bordering the county line. On January 6, 1781, he patented 50 acres in Nash County on the County line near BRYANT's Spring Branch.

From 1785 to 1794, ELISHA sold portions of his patents. The first parcel was sold on March 5, 1785, to Jesse BUNN (from the Aug. 9, 1779 grant), 117 acres south of Rocky Mockerson. This deed (Wake County Deed Book G, p. 89) was witnessed by Abel STRICKLAND and Patty STRICKLAND.

On March 3, 1786, ELISHA sold 85 acres to Thomas GAY. The land adjoined land of ELISHA, Thomas GAY and Joseph NORRIS (from the patent of Aug. 9, 1779). This deed was witnessed by Mathew STRICKLAND, Richard UPCHURCH and Charles UPCHURCH. (Wake County Deed Book H, p. 45)

In 1791, ELISHA sold Stephen PEARCE 160 acres in Franklin and Wake Counties on Mocquerson Creek. (Franklin County Deed Book 7, p. 64) This land adjoined Matthew STRICKLAND, the South Prong of Mocquerson Creek, the Great Branch, Jesse BUNN, Stephen PEARCE and grave rock branch. (Possibly a part of one of the Aug. 9, 1779 grants) The deed was witnessed by James PEARCE and Richard UPCHURCH.

On March 15, 1794, ELISHA sold two tracts of land to William MORGAN of Nash County, in Franklin County on Turkey Creek. One deed, consisting of 300 acres and adjoining the County line and BRYANT, was witnessed by Jesse PEARCE, Richard UPCHURCH and Kinchen UPCHURCH (Franklin County Deed Book A, p. 272). The second deed, consisting of 300 acres in Franklin County on Turkey Creek, also adjoining BRYANT and the County line, evidently joined the first deed in some manner. These two parcels of land are apparently portions of the 1780 and 1781 grants of ELISHA.

Eight months later, on November 18, 1794, ELISHA sold Thomas RAY of Franklin County 42 acres in the fork of Mockerson Creek, adjoining James PEARCE, Thomas GAY and Thomas RAY (Franklin County Deed Book 10, p. 255). On May 2, 1795, ELISHA sold William SEAGRAVES of Wake County 40 acres of a tract of 240 acres adjoining MORGAN (see 1794 deeds), Hardy GRIFFIN, Wolf Harbor Branch, Spring Branch, the piny prong, and MASSEY. This deed was witnessed by Benjamin WHEELER and William WRAY (Franklin County Deed Book 8, p. 201).

Four months after selling the last of the above listed deeds, ELISHA STRICKLAND's will was brought into Wake County Court (Sept. 1795). He wrote and signed his will on February 23, 1795, sold the 1st parcel of land on May 2, 1795, and died sometime between May 2nd and September of 1795.

The name of ELISHA's wife is still unknown. A very good possibility is that her maiden name was UPCHURCH, but, so far, this is only speculation. The children and one grandchild are listed in Elisha's will as:

1. "my dearly beloved son, KINCHEN STRICKLAND...the maner plantation where I now live containing by Estimation three hundred akers Lying on both sides of Mokerson Creek"
2. son, ISAAC STRICKLAND "two hundred and fifty akers of Land Lying in the fork of Mokerson it being the Plantation where he now lives"
3. JACOB STRICKLAND, son
4. PRISSILLOR SEGRAVES, daughter
5. CHARITY JOHNSTON, daughter
6. ELIZABETH GRIFFIN, daughter
7. PATTE STRICKLAND, daughter
8. SALLE PACE, daughter
9. MILBRE STRICKLAND, granddaughter
10. MARY CARTER, no relationship given

The estate folder of ELISHA STRICKLAND of Wake County (located in the North Carolina Archives at Raleigh - original or "loose" papers) includes a paper showing on August 18, 1803, Brasel STRICKLAND, James CHAMBLEE and Matthew STRICKLING were bonded in the Wake County Court for Brasel STRICKLAND's appointment as guardian for Milbry STRICKLING, minor orphan. Milbry (also Milbrey & Milly) married William JONES on June 12, 1804, in Franklin County, North Carolina. At that time, she was probably between the ages of 15 and 20, which would indicate she was born between 1783 and 1789. She was either the only grandchild (not very probable) or the favorite grandchild of ELISHA in 1795, or her father had died at this time and, therefore, ELISHA left her a portion of his estate.

In June of 1805, a petition of Brasel STRICKLAND and Polly, his wife, was brought into the Wake County Court of Pleas and Quarter Sessions (also located in Elisha Strickland's folder). The petition was brought against "Isaac Strickland & Others," to set aside the will of ELISHA STRICKLAND, because "that Legacy...given to Milly STRICKLAND was graudulently inserted. It being the intention of the Testator to give said Legacy to POLLY one of your petitioners," and that "be-

quests were made to the following persons, children of ELISHA, but by no means in Equal proportion. To JACOB STRICKLAND who lives in Anson County No. Carolina; to PRISILLA STRICKLAND intermarried with Jacob LEWIS which said Jacob LEWIS lives in the State of Georgia, the said PRISCILLA being dead having six children living in the State of Georgia whose names are unknown to your petitioners; CHARITY STRICKLAND intermarried with James JOHNSON residents of Georgia; ELIZABETH intermarried with Hardy GRIFFIN, which said ELIZABETH is dead having four children, to wit: James, Jincy, Jenny and Isaac, resident of Franklin. ISAAC STRICKLAND lives in Georgia; POLLY STRICKLAND intermarried with BASIL STRICKLAND your petitioners; SALLY STRICKLAND intermarried with John PACE - lives in Franklin; KINCHEN STRICKLAND lives in Georgia; MILLEY STRICKLAND intermarried with William JONES, residents of Franklin." It was ordered by the court that the above persons "appear on the first day of next term and that the insertion of the above order in the No. C. _____ (a newspaper) for 3 weeks be deemed sufficient notice."

Deeds have been located which indicate the approximate time ISAAC and KINCHEN left North Carolina and settled in Georgia. KINCHEN was living in Franklin County, NC, on November 26, 1802, when he sold 300 acres to JOHN PACE, "being the land held by ELISHA STRICKLAND, deceased, and given to his son KINCHEN by Will," on both sides of Mockerson Creek, partly in Wake County and partly in Franklin County. This land adjoined Richard UPCHURCH's Branch, James UPCHURCH, the widow PEARCE, "mouth of the Grave Rock in Wake County," Stephen PEARCE, Nathan UPCHURCH and William RAY. The deed was witnessed by ISAAC STRICKLAND and Nathan MASSEY (Franklin County Deed Book 12, p. 78).

In October, 1804, KINCHEN STRICKLAND of Wake County sold 400 acres to Joseph FREEMAN, located on SMITH's Creek "where the said STRICKLAND now lives," adjoining SULLIVAN, BENTON and HORTON (Wake County Deed Book T, p. 52). It was probably at this time KINCHEN moved to Georgia.

ISAAC STRICKLAND is listed on the 1790 Wake County Census with one female. On July 26, 1799, ISAAC of Franklin County sold William MORGAN of Nash County 95 acres on both sides of Turkey Creek, adjoining MORGAN, Wm. MARTIN, Wolf Harbor Branch, Spring Branch, and the County Line (Franklin County Deed Book 3, p. 68). The deed was witnessed by Obadiah STRICKLAND and William BRYANT. On August 7, 1799, ISAAC sold Wm. MARTIN 12 acres on Turkey Creek on the County Line, piney prong, and BOON's line (Franklin County Deed Book 3, p. 109) which was also witnessed by Obadiah STRICKLAND and William BRYANT. The last parcel of land sold by ISAAC in North Carolina, was purchased by Phillip PEARCE on December 10, 1802, in Franklin County. It consisted of 250 acres on the North Prong of Moccason Creek, adjoining Stephen PEARCE, South Prong, BUNN's Branch, Jesse BUNN, Meadow Branch, GAY and the orphan James PEARCE (Franklin County Deed Book 12, p. 87). The last deed is the 250 acres bequeathed to ISAAC by his father, ELISHA. ISAAC apparently moved to Georgia in 1802, after selling his legacy.

LETTERS FROM THE FILES OF VIRGINIA STRICKLAND ROBERTS

In the late 1930's and early 1940's, Virginia Roberts (then Virginia Strickland) corresponded with many people in compiling information on the various Strickland lines. Much of this correspondence was in connection with the then pending "Oil Controversy" in Conroe, Texas. Some of these lines connected to information Virginia already had, but much of it was bits and pieces that did not fit into the lines Virginia was working on. She saved these letters, and has now donated them to Strickland Research, Inc. We plan to occasionally print some of these letters in hopes they will be of help to our members.

Miss Virginia Strickland
Buford, Georgia

Dear Miss Strickland, Your address was given me by one who is searching for old records of the Strickland family. As I am also searching for old records of the Stricklands. I am writing you to know if you can help me in this. I was also told that you have names and also old records of the Strickland family. I would be glad to exchange names with you, also would you mind telling me how far back your oldest record dates. I have some pretty old and would exchange names and dates with you. I have as far back as my great-great-grandfather Strickland family record. I have copies of the following Stricklands, and I am a direct descendant of the Jonathon in the list.

Luke, Jonathon, Martha, Elizabeth, Benjamin, Thomas, Polly Ann, Cassee, Susan Ann, John, Louisa.

I also have lots of other names and have the father of these who was Stephen who was my great great grandfather.

(Editor's Note: These 2 letters appear to relate to the same STEPHEN STRICKLAND. If anyone has further information on this family, please share it with us. -NJC)

(The following letter - or letters - were very difficult to read. They were written in pencil with no punctuation and almost no capital letters. The top portion of one page is missing, and may have been the heading of a 2nd letter. I have added punctuation.)

STRICKLAND

Mrs. Wendell O. Bailey, P. O. Box 173, Lithia Springs, GA 30057: Who were the parents, brothers, sisters and children of my g. g. grandfather JOSEPH STRICKLAND? He was born 1789 in NC & lived in Hall Co., GA. His wife, P. _____ was born 1794, SC. His oldest child (my g. grandfather) was JAMES C. STRICKLAND, born 1819, GA. There was a daughter MARY F. STRICKLAND. I don't know the names of the other children. I will appreciate anything anyone can tell me about JOSEPH's family.

STRICKLAND-POWELL-FAIN

Gerald V. Strickland, 1735 Rosshire Ct., Lakeland, FL 33803: Seeks date of death of NEAL (NEIL) STRICKLAND b. 29 March 1798 in GA. Lived most of his life in Decatur Co., GA. Married ACQUILLA POWELL of Pulaski Co., GA, 20 Dec. 1820. They had 11 children.

Also seeking information on the first and second wives and families of REUBIN STRICKLAND, born 1780 NC and died 9 May 1859 in Decatur Co., GA. His third marriage was to CLARA FAIN, 11 Dec. 1828.

STRICKLAND-HIBBERT/HIBBARD-STOWELL

Mrs. L. W. Tietge, 7932 7th Avenue SW, Seattle, WA 98106: Wants any information on JONATHAN STRICKLAND and wife, JOANNA HIBBERT/HIBBARD or perhaps HUBBARD. They had one daughter, ABIGAIL, born 16 August 1757 in New London, CT, & married OLIVER STOWELL on 30 July 1778 in Stafford, CT. Oliver STOWELL was from Pomfret, Windham, CT; and died 20 July 1836 at Abington, Windham, CT. ABIGAIL died 18 August 1856, age 99. Who are the other children of JOANNA & JONATHAN STRICKLAND? Who were their parents?

STRICKLAND-GRAVES

Mrs. L. B. Harris, Rt. 2 Box 318, Frankston, TX 75763: Who is BENJAMIN STRICKLAND who was in Shelby County, TX, in 1850? He had a daughter, ELIZABETH, who married PHILLIPS GRAVES.

STRICKLAND-BRIXEY

Patsy McClure, 3917 Cynthia, Wichita Falls, TX 76302: MACKEY FAMILY AND RELATED FAMILIES states THOMAS BRIXEY was lost at sea. He was married to RACHEL MACKEY who later married BARNABAS STRICKLAND of GA and Franklin Co., MD. Need any information on THOMAS BRIXEY (b. 1780 NC) and his family.

STRICKLING-POE-HOUSE

Jim Strickling, 5705 DeKalb Lane, Norcross, GA 30093: Needs any information on GEORGE W. (or M.) STRICKLING-LIN-LAND who was living in Benton Co. (now Calhoun), AL in 1860. He was born 1837-38 in GA, and may have been connected to the family of SOLOMON POE with whom he was living in the 1860 census. Has anyone located GEORGE STRICKLING in the 1870 AL Census?

Would also like any information on JOHN HOUSE (1830-1840 GA). Is he the father-in-law of HENRY STRICKLING (b. 1818 GA d. after 1900 AL)?

BITS & PIECES

Occasionally we receive response or additional information from queries printed in Strickland Scene. The following is a letter from one of our members:

"Since sending in my query, which appeared on page 58 of Vol. 3 #3 of the Strickland Scene, I have found some information about my Strickland family - perhaps enough to give someone a clue.

In Book #1 of Wills, Pike Co., Ohio, appears the will of Jane STRICTLING, written 4 March 1847, and probated 16 March, 1852. She lived in Sunfish township, Pike Co., OH (this adjoins Adams Co.). The writing is quite good but names are rather difficult. She names a son, JACOB, who probably was named after his father since a JACOB STRICKLAND appears in the Pike County history as an early pioneer (possibly 1817 or 1818). She also names daughter SALLY CURRY, daughter MARY JANE FARRIS(?), daughter ELIZABETH BULLARD (the LLs have "squiggles" under them that may indicate something other than LLs; and there goes the family tradition of BURRIE or BURROWS.) She also names granddaughters MARY JANE STRICTLING and (my g. grandmother) MARIAH KEES.

There is a possibility that ALEXANDER STRICKLAND of Highland Co. is a connection. JACOB (JR.) appears in the Pike Co. Census.

Sincerely,
Russell A. Williams
6306 Lakeview Blvd.
Middleton, WI 53562"

Editor's Note: Perhaps printing the above will "jog" someone's memory or add information to someone's line. If you have further information on this family, please share it with Russell Williams.

After typing the DO YOU KNOW section, I located information which may be helpful to Mrs. Wendell Bailey, even though it does not answer her query. According to the STRICKLAND FAMILY & SOME ALLIED FAMILIES OF HALL COUNTY, GA by Sybil McRay, JOSEPH STRICKLAND's obituary was published in the EAGLE on February 20, 1880: "Mr. Joseph Strickland died Wednesday at his residence near the corporate limits of the city. He was 105 years old at the time of his death."

Please let us know if you plan to have a reunion during 1983. We would like to mention it in Strickland Scene. WILMA STRICKLAND COALS' branch of the Stricklen-land-lin family has had a reunion for the past 22 years. They began meeting in 1960 in the Bicknell City Park, Bicknell, IN, on the Sunday before Labor Day.

For those of you within traveling distance of Riverdale, GA, please make a note on your calendar of our 1983 workshop dates. If you are planning a trip, perhaps you can plan to be here for one of these dates.

Saturday, Feb. 5, 1983, 10 a.m. to 5 p.m. at 1661 Lauranceae Way
Monday, March 7, 1983, 10 a.m. to 3 p.m. at the GA Archives
Tuesday, May 3, 1983, time & place to be determined
